SAVE SOCIAL HOUSING AT LITTLE MOUNTAIN

Tell our governments:

- **Stop needless displacements and let remaining families relocate on site during construction of the promised social housing.**
- **Re-open vacant homes to families in need of housing. No bulldozing of any homes until construction begins.**
- **Increase the amount of social housing at Little Mountain, and keep all housing non-market.**
- **Keep public land public – No sale of public land to private interests.**
- **Implement a comprehensive housing program. We need immediate action at all levels of government build housing accessible for people of all income levels.**
